SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Applicants request consideration of the references listed on the attached PTO-1449 form. Under 37 C.F.R. § 1.98 (a)(2)(ii), only copies of foreign patent documents and/or non-patent literature are enclosed. Copies of any listed U.S. patents or U.S. patent application publications can be provided upon request.

The undersigned has been advised that these references were cited in a pending opposition that was filed against corresponding Swedish patent SE 524 751 on July 11, 2005.

Cited reference SE B 418 058 (Ref. AL) appears to correspond to U.S. Pat. No. 4,434,643, which is listed as Ref. AC to identify an English language document for Ref. AL. The other cited references are already in English. The opposition also cited two DVD's, the contents of which are not currently available, so they are not listed on the PTO-1449 form. It is not presently known whether the DVD's or their contents are prior art.

This statement is being filed within three months of the filing date of the application or before the receipt of a first Office Action on the merits. Please apply any charges or credits to Deposit Account No. 06-1050.
